## FOREWORD

While we are taking inventory of the past year, let's not leave out those things a yearbook can't record. The sadness of leaving our beloved school, yet happiness in entering a new one that will give us more room, more concerts, more athletics, a whirl of parties and dances. No need to be dismayed because we couldn't capture the intangibles. Only words and pictures can be summarized.

Here is our yearbook—  
Memories of the past year,  
Memories of bygone days,  
Memories of our school  
Memories we hope you will  
treasure in years to come.

## *The Superintendent's Message*

Class of 1961, you've sought and won new knowledge, new powers, and new friends during the years you have spent here at Fort Valley High School, and these years will prove to be the most important years of your life.

You will leave us soon. As you leave, don't forget a part of the school will go with you, and that you will leave part of yourself with FVHS. You cannot forget your years here. Neither can we forget you and your contributions to help FVHS to hold her literary and athletic banners.

I admire you very much. You are a class of which all of us are proud. I shall continue my interest in you, and wish for you success and happiness.

*Ernest R. Anderson*

*Principal . . . Mr. McClendon*

*Secretary . . . Mrs. Brown Rodgers*
